Now Available

Dear Valued Customer,

We are pleased to announce our Clearance Sale on 30 series cylindrical locks, tubular locks, and related hardware, as low as **\$5.99** each!

To make ordering as easy as possible, we are offering two ways to place your order. Please choose whichever method is most comfortable for you:

### Option 1 – PDF Order Form

Best for customers who prefer to print the form, write in quantities by hand, and then fax or email it back.

### Option 2 – Excel Order Form

Best for customers who would like the form to automatically calculate the Subtotal for each item and the Total for the order.

#### PDF Order Form:

<https://directhardware.com/flyers/locks-order-form.pdf>

How to use the PDF form:

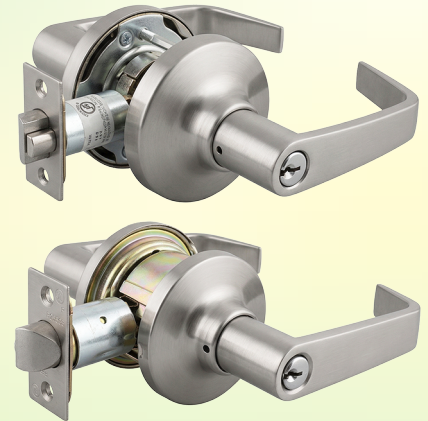

- Click the PDF link above to open or download the PDF file.
- Print the PDF form.
- Write in the quantities you want to order.
- Fax the completed form to 224-241-8050, or, email it to [info@DirectHardware.com](mailto:info@DirectHardware.com)

#### Excel Order Form:

<https://directhardware.com/flyers/locks-order-form.xlsx>

How to use the Excel form:

- Click the Excel link above to download the file.
- Open the file from your computer's Downloads folder.
- Enter the quantities you want in the yellow cells under Quantity.
- The form will automatically calculate the Subtotal for each item and the Total for your order.
- Save the completed file to your computer.
- Email the completed form back to [info@DirectHardware.com](mailto:info@DirectHardware.com)

We hope this gives you a convenient way to take advantage of our clearance pricing on cylindrical locks and related hardware.

If you have any questions, please reply to this email or contact us at [info@DirectHardware.com](mailto:info@DirectHardware.com)
